

§ 694.15

34 CFR Ch. VI (7–1–11 Edition)

(2) Has received a secondary school diploma or its recognized equivalent on or after January 1, 1993;

(3) Is enrolled or accepted for enrollment in a program of undergraduate instruction at an institution of higher education that is located within the State's boundaries, except that, at the grantee's option, a State or Partnership may offer scholarships to students who attend institutions of higher education outside the State; and

(4) Has participated in the activities required under § 694.21.

(c)(1) By the time students who have received services from a State grant have completed the twelfth grade, a State that has not received a waiver under section 404E(b)(2) of the HEA of the requirement to spend at least 50 percent of its GEAR UP funds on scholarships must have in reserve an amount that is not less than the minimum Federal Pell Grant multiplied by the number of students the State estimates will enroll in an institution of higher education.

(2) Consistent with paragraph (a) of this section and § 694.16(a), States must use funds held in reserve to make scholarships to eligible students.

(3) Scholarships must be made to all students who are eligible under the definition in paragraph (b) of this section. A grantee may not impose additional eligibility criteria that would have the effect of limiting or denying a scholarship to an eligible student.

(d) A State using a priority approach may award scholarships under paragraph (a) of this section to eligible students identified by priority at any time during the grant award period rather than reserving scholarship funds for use only in the seventh year of a project or after the grant award period.

(e) States providing scholarships must provide information on the eligibility requirements for the scholarships to all participating students upon the students' entry into the GEAR UP program.

(f) A State must provide scholarship funds as described in this section to all eligible students who attend an institution of higher education in the State, and may provide these scholarship funds to eligible students who attend

institutions of higher education outside the State.

(g) A State or a Partnership that chooses to participate in the scholarship component in accordance with section 404E of the HEA may award continuation scholarships in successive award years to each student who received an initial scholarship and who is enrolled or accepted for enrollment in a program of undergraduate instruction at an institution of higher education.

(h) A GEAR UP scholarship, provided under section 404E of the HEA, may not be considered in the determination of a student's eligibility for other grant assistance provided under title IV of the HEA, except that in no case may the total amount of student financial assistance awarded to a student under title IV of the HEA exceed the student's total cost of attendance.

§ 694.15 May a Partnership that does not award scholarships under section 404E of the HEA provide, as part of a GEAR UP project, financial assistance for postsecondary education using non-Federal funds?
